SUMMARY

Skilled in HTML, CSS, Bootstrap, JavaScript and React.js with a strong passion for creating responsive, user-friendly, and visually appealing websites. Experienced in translating design concepts into interactive web applications and maintaining cross-browser compatibility. Adept at collaborating with teams to deliver projects on time while ensuring high-quality standards.

KEY ACHIEVEMENTS

Livestock Healthcare and Marketing Management Website

Designed and developed an innovative website with features like appointment scheduling, health tracking, and an online marketplace for livestock trading.

E-Commerce Website

Built a responsive and user-friendly e-commerce platform with dynamic product filtering, secure checkout functionality, and optimized site performance.

Portfolio Website

Created a professional and visually appealing portfolio website with smooth animations and responsive layouts to showcase projects and skills effectively.

Timely Project Delivery

Consistently delivered projects ahead of deadlines while maintaining high-quality standards and client satisfaction.
